MONDAY EVENINGS

KONA WITH JONAH by Sandra Glahn

Facilitated by Joan Barden-Mutton

In the eighth century BC, Ninevah lay in the heart of the Assyrian empire. Its people entertained themselves by drawing graphic cartoons of violent acts. Their stomach for torture gave them a reputation as the world's most barbarous people. In "Kona with Jonah", a four week Bible study, we will encounter the character of God and our own need to embrace radical forgiveness. In seeing God's love for the murderous people of Nineveh, we come face to face with One whose mercy extends even to the most despicable. We also see the importance of obeying God when He calls on us for a task.

The book is available for \$12.99 from either the Coffee Cup Bible Study site or from Amazon (used books are less expensive).

Please call Joan Barden at (509) 466-9766 with any questions or if you are unable to purchase a workbook online as she has some available.

ALL THINGS NEW: A Study on II Corinthians by Kelly Minter

Facilitated by: Jenny Kaluza

This study is for the young women of our church whether you are in college, career or busy wrestling kids at home.

The city of ancient Corinth was much like our own modern-day cities: a melting pot of electrifying cultural experiences to be had, along with the myriad pitfalls of spiritual depravity. The letter of II Corinthians is an example to us that God's church is meant to thrive in any city and every circumstance in which we find ourselves. Paul's letter is as timely as ever.

We will walk through the Letter of II Corinthians, exploring the anchoring truths of bearing treasures in jars of clay, meeting Christ through a pressing thorn, opening wide our hearts in the midst of hurtful relationships, and what it means to embrace the lost and lonely as ministers of the new covenant. Each of us has a message to proclaim and live by: Because of Jesus the old has gone, the new has come. This study will begin in the winter for the young women's group and continue on through the spring session.
