FIELD TRIP

LIBRARIAN VISIT

The librarian will be here for the fourth and last time on April 18 & 19. They have been great and we certainly appreciate their visits. Check out the story times for summer! I have been to several of those and enjoy them as well.

FALL REGISTRATION OPEN

Registration forms available outside the office or inside!

Our classes on MWF and TTh are from 9:30 am to 12 noon.

Don't forget . . . we offer Kindergarten too.

Just think, one more year in a school environment that establishes God's Word in your child's heart!

PLEASE KEEP THE BOX TOPS COMING!!!

TRIKE-A-THON IS ALMOST HERE!!!

May 12, 11:00-11:45 am ~ Northview Parking Lot

GOAL
\$5,000

Let's ride! You will find your pledge sheet in your child's cubby. Once you have some pledges, pick up a rider in your child's classroom. Please put your rider on the wall (please do not take home). As you collect pledges, move your child's rider along the track in the hallway. You earn \$10 in raffle tickets. Vicki will hand out the tickets on race day (May 12) so you may choose which raffle basket that you would like to win. Once your child has collected \$50 in pledges, take a free t-shirt off of the rack in the hallway. We would love to have any of you donate a raffle price: gift certificate, raffle basket, anything that you think others would love.

Prizes Include: Toys-R-Us gift cards of \$50, \$25 & \$15 will go to the top pledge collectors. We have two grand prizes. There is a basketful of amazing Star Wars stuff . . . Darth Vader Mr. Potato Head, a C3PO Mr. Potato Head, Star War figures (Darth Vader, Chewbacca, First Order of the Pilot, Edad, etc). There are lot of Star War books, too. There is a child size art desk with a chair that will have some fun stuff to start the lucky winner on their own Creation Stations. Both grand prizes are worth upwards of \$100.

CURRICULUM

EASTER IS COMING!

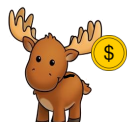

We love this time of the year. As we look around and see crocuses peeking up from the ground, snow piles disappearing, occasional sunshine and grass that is slowly greening up, we can see the light at the end of the "winter tunnel."

For the next few weeks, we will study Spring and teach about the new life that Jesus offers each and everyone of us. After Easter Break, each child will bring home 8-12 objects that signify the last week of Jesus' life and a letter that explains each one. This is one of the special times that make teaching here so special.

Enjoy asking your children about each object. Our goal, at the end of the unit, is that each child knows that "Jesus is alive!"

SCHOOL PROGRAM . . .

The program was the best! Your children are amazing! They knew all of the words and hand motions and loved going to music. DVD and CD order forms are available on the hall table. Thank you for attending and for bringing cookies.

Fill the
Moose!!!

All monies raised will go towards continuing to offer the best possible start for your children before formal schooling begins. Besides all the wonderful things that they learn at school, our primary desire is to establish God's Word in their hearts, so when the challenges come (as you know, they will), that between your family and our school family, your child will know what to do. So, as we continue spring planting, we will all continue to plant God's Word in their hearts.

"Train up a child in the way that he should go, and when he is old, he will not depart from it."
Proverbs 22:6
