GOAL
\$5,000

Let's ride! Your pledge envelopes were handed out before Easter Vacation. Once you have some pledges, pick up a rider from your child's classroom. Please put your child's rider on the track in the hallway (please, do not take home) that corresponds to the amount raised so far. For every \$10, you earn 2 raffle tickets. Vicki will hand out the total amount of tickets you have earned on race day. You may then choose which raffle basket you would like to win and put them in the corresponding basket. For instance, there are two Fire Tablets! Both are worth upward of \$75. Once your child has collect \$50 in pledges, help yourself to a **free** t-shirt hanging in the hallway. We would love to have any of you donate a raffle prize: gift certificate, raffle basket, anything that you think others would love.

Prizes Include: \$50, \$25, \$15 gift certificates that will be awarded to the top pledge collectors to Walmart (they seem to have the best toy selection).

There will be a large bicycle on display in the hallway with a large basket that will fill up with money as the next two weeks progress.

SCHOOL PROGRAM . . .

DVD's of the slide show and program are still available. Order forms on the table outside of the office. Cost is \$7.00 checks made out to Vicki Halpin

All monies raised will go towards continuing to offer the best possible start for your children before formal schooling begins. Besides all the wonderful things that they learn at school, our primary desire is to establish God's Word in their hearts, so when the challenges come (as you know, they will), that between your family and our school family, your child will know what to do. So, as we continue spring planting, we will all continue to plant God's Word in their hearts.

"Train up a child in the way that he should go, and when he is old, he will not depart from it."
Proverbs 22:6
