"My One and Only"
Genesis 29

Speaking Today: Pastor Norm Schwab

As human beings, we long to be loved and accepted. We long for significance and approval. Our attempts to fill that empty hole with anything less than our true 'One and only', will only be met with disillusionment and shattered expectations. This morning's story draws us to find hope in our Ultimate Valentine.

1. The spiritual change process is messy.
2. Stop demanding from others what they were never designed to provide.
3. Pursue hope in your Ultimate Valentine.

Next step:

What things are you demanding from a relationship or situation, that they will never be able to provide?

In what ways have you seen God fill in the empty hole of your need for love, acceptance and significance?
