"Strength When Hard Things Hit"
Ephesians 3:1-13

Speaking Today: Pastor Norm Schwab

Difficult circumstances barge in uninvited. Things happen you just don't understand. It rocks your life and shakes your faith. You don't want to lose heart, but fears and doubts sneak in. You need strength. You need a new perspective when hard things hit.

1. View hard things differently.

2. Assess what you value most.

3. Fully engage in God's brilliant plan.

Next Step:

Are you in a 'prison' of hardship right now? Doubt . . . fear . . . discouragement . . . suffering . . . conflict . . . attacks? There is something about putting your thoughts down in written words. God slowed Paul down long enough to write. Spend ten minutes a day journaling this week. Watch how God goes deep with you and begins to change your heart.
