

“Hebrews: The Greatest Hits”
Hebrews

Ice Breaker:

Describe the most interesting flight you’ve ever taken.

Have you ever been stuck in a snow drift? How? When?

Read: Hebrews (entire book at one sitting, on your own this week...)

1. What theme words, repeated and key words come to mind when you think of the book of Hebrews? Why are they important?

2. Summarize the author’s “Big Idea” in one sentence.

3. If Hebrews were not in the Bible, what would we miss out on?

4. What has Hebrews taught you about Jesus? And what difference would it make in your life if you dared to live in light of it?

5. What has Hebrews taught you about yourself? How would you be different if you believed it at a heart level?

6. What is one application/truth God pressed on you during our study in Hebrews?

Pray with each other:

December 3, 2017

"Hebrews: The Greatest Hits"

Hebrews

This morning, we take a bird's-eye flight back over the entire book of Hebrews. We've spent ten months walking through the trees and now we will enjoy a view of the entire forest, the whole book of Hebrews, in all its beauty.

These four questions will guide our flight:

1. Who is this Jesus?
2. Where can I find rest?
3. Why do I need a priest?
4. What does daring faith look like?

Next Step:

Think about it. What has Hebrews taught you about Jesus? What have you learned about yourself? What difference would it make if you really did believe it and lived it?
