**“What Matters Most”**

Lamentations 3:12-24; Mark 10:17-31

1. What are your “top 5” things that you worship with your time, resources, actions, and affections? Can you put those things into a list of priority?
2. When life seems tough, when you feel like Jeremiah did in Lamentations, does your order change? If so, how?
3. In both seasons, good and bad, what is your “god?” What do you rely on and trust in the most?

**Pray for each other:**

### “What Matters Most”

Lamentations 3:12-24; Mark 10:17-31

1. Everything we do is an act of worship.
  
2. We worship with our:
  - Time
  
  - Resources
  
  - Actions
  
  - Affections
  
3. Whatever we value, need, trust or rely on the most is our “god”
  
4. We worship many different things in our lives:
  - Money
  
  - Technology
  
  - People
  
  - Ourselves
  
5. At the end of the day, our “god” should be the God of the Bible, not any of these other things.
