No School March 15. Mead in-service day.

Trike-a-thon: Friday, April 26.

School Program: May 9 at 7 pm

Curriculum

St. Patrick's Day

Our March curriculum will cover the basics of St. Patrick's day. St. Patrick was a real man who lived in Ireland a long time ago. He was a man who really had a heart for the lost and brought many people to Jesus. It was said that he introduced the Shamrock to Ireland. The symbolism we attribute to the Shamrock is a spiritual one. Each leaf represents a part of the Trinity. Our favorite teaching tool is the apple using the skin, the flesh and the core. We have several copies of the 3 in 1 book and will use them to explain the Trinity to the children. If you would like to see this book, please come to the office and we would be happy to let you look through it.

Hopefully, spring will have sprung and we can do some seed planting in the classrooms.

Other Curriculum: In April, we will be celebrating Easter. He is Risen!

TRIKE-A-THON

April 26 11:00-11:45 am ~ Northview Parking Lot

Don't forget our annual fundraiser! We kick off the Trike-a-Thon on Monday, April 8th. Our raffle promises to be exceptional! It will be a part of our school day with the TTh kids strongly encouraged to come and participate. All siblings are welcome to participate. Any moving thing can be ridden whether it be a trike, scooter, skateboard, big wheels, etc. NO self propelled vehicles. Decorate your vehicles please! Everyone (friends, neighbors, family) is invited to come and participate in cheering all the riders on and participating in the raffle!

Outside. We are hoping that the temperature will allow us to play in the snow! Meanwhile, we are doing big muscle exercise inside. Your teachers will text if it looks like we will be able to go outside. Please, don't forget; boots, snowpants, gloves and jackets. Hats work, too.

Despite the weather, we made it to Tomato Street. I am working on the fire department to schedule our tours for our next adventure. Dates to follow.

Registration is open. Please spread the word. We don't have an advertising dollar and rely on word of mouth. In addition, our church reader board is out of commission due to the build. So, we are thankful for your help. There are leaflets available to hand out if you would like to help in that way. Meanwhile, all MWF, TTH, 5 days a week and kindergarten classes still have openings. Just think! One more year in a school environment that establishes God's Word in your child's heart

All monies we raise will allow us to offer the best possible start for your children before formal schooling begins. Besides all the wonderful things that they learn at Northview Christian School, our primary desire is to establish God's Word in their hearts, so when the challenges come (and as you know, they will), that between your family and our school family, your child will know what to do. So, as we begin spring planting, we will all continue to plant God's Word in their hearts. "Train up a child in the way that he should go, and when he is old, he will not depart from it." Proverbs 22:6
