

NEHEMIAH PRECEPT UPON PRECEPT

Facilitated by Carol Underwood

Begins April 18

Rebuilding, Revival and Restoration of the people of God.

How do you respond when the enemy tries to interfere with god's clear direction? The enemy of God sought to frighten Nehemiah as he proceeded to build the walls of Jerusalem. Nehemiah shows us leadership and obedience in the face of opposition, as well as God's miraculous blessing and provision.

ALL THINGS NEW (by Kelly Minter)

Facilitated by Joan Barden

Over 8 sessions, Kelly Minter will lead us through the Letter of 2 Corinthians to discover how Paul's encouragement to the believers in Corinth challenges the church today. As new creations in Christ, we are to spread the message of Jesus' grace, comfort, and generosity with the world. In the way we live, we must boldly declare: He makes all things new. Like Corinth our world is full of people and problems and we struggle to make a difference. Paul challenged the early church and us to share the gospel of reconciliation despite hardship, pain and struggle. He reminds us and the new believers that the gospel was meant to thrive in circumstances such as these.

Workbooks are \$12.99 and can be purchased at Lifeway or online.

LIVING HOPE: I & II PETER

Facilitated by Jenny Kaluza

The letters of 1 & 2 Peter were written to encourage the followers of Jesus Christ that they are born again to a living hope, and to remind them of the certainty of their future inheritance. During this study, you will walk verse-by-verse through Peter's letters. Some of the many truths that are discussed include practical advice for growing in your Christian faith, holy living, enduring suffering and persecution, dealing with false teachers, and preparing for the Lord's return. Peter combines Christian faith and practice in these practical and powerful letters. Join us for a Bible study that will remind you to lift up your face from the daily trials of this earth to the certain coming of our Lord and King.

Workbooks are \$4 and can be picked up on the first day of class.

New this session: This class is designed for women of all ages. Following a teaching time by Jenny Kaluza, the group will be divided for a time of discussion and prayer.

The Good and Beautiful Life: Putting on the Character of Christ (a study of the book by James Bryan Smith)

Facilitated by Jena Coffey

This is a **continuation** of The Good and Beautiful God class which started in September. While the first book helped us learn to align our beliefs with Jesus' beliefs about the character of God, this second book focuses on replacing false narratives regarding happiness, success, and life in the kingdom of God. There is space for a few more to join this class, but advance reading will be required. Please contact Jena Coffey at coffeyj@integrity.com or 509-466-2558 if you intend to join this class.
