November 29: TTh & Kindergarten

November 30: MWF

We will not come to school *at all* on these days. Instead, we will meet at the bus stop in front of Calvary Spokane Church on Hastings (right across from the fire department). It is a special bus just for us. It does not stop anywhere else or pick up anyone else. They will deliver us downtown right in front of the runners on Riverside and pick us up there at 11:30 am. It will be \$1.50 round trip per adult (**EXACT CHANGE**). Kids are free; siblings are welcome!

IMPORTANT INFO & REMINDERS

Everyone must fill out a background form to help in a classroom or field trip. They are on the table in the hallway. Please fill it out & turn into your teacher.

Please leave the fire lane clear. It is located at the end of the asphalt that leads down the hill to our classrooms and is just to the right of the fire hydrant. It is marked.

We offer book buying opportunities through Scholastic Books. We will soon send out the magazines with order forms. If you wish to order, you may fill those out and return to the school with a check made out to Scholastic. One check is good for all forms. This is a great way to build up your child's library.

BOX TOPS!!! We collect box tops!!! For every Box Top, we receive 10 cents. We send them in and they send us a check. Easy as can be! So please be on the look out for products with a Box Top. We collect all year & will have a class contest one of these days. Over the years, we have collected close to \$4,000.

Kira's Klost is a ministry of St. Luke's Lutheran Church (9706 N. Division) to families in need of children's clothing. They have a tremendous need for gently-used boys and girls clothing, coats shoes, backpacks, books & more. Size: infant to teen. There is a collection barrel in the hallway. We will deliver! You can pick up clothes every 3rd Saturday, 10 am to 1pm at the former Mead Middle School (12509 N. Market St.)

PRAYER REQUESTS: The prayer request is at the bottom of the newsletter. All requests are confidential. Fill out & place in the Tuition Box or hand to Sally or Vicki. And remember to pray for all of the teachers in public & private schools as well as our teachers. They have a tough job!
